## JURSKINSKI NAMED SUPER LAWYER

Kevin F. Jursinski

Real Estate Attorney Kevin F. Jursinski has been named as a **2010 Florida Super Lawyer** by *Super Lawyers Magazine*.

The attorney-led research staff of **Super Lawyers** limits its selection to the top five percent of all attorneys in the state. They search for lawyers who have attained

certain honors, results or credentials, which indicate a high degree of peer recognition or professional competence, what they term "Star Search Credentials."

These credentials include certification as a specialist in a particular area of practice or admission to prestigious colleges or academies, e.g., The American College of Trial Lawyers. The staff identifies these "Star Search Credentials" by reviewing a proprietary listing of more than 150 database and online sources, as well as national and local legal trade publications.

## MAKING HEADLINES

Recently, Kevin Jursinski was asked to pen articles addressing issues relating to the potential problems and solutions in both the residential and commercial loan marketplaces and identifying specific remedies to correct the problems. His articles: "**The Mortgage Foreclosure Crisis in Florida: A 21st Century Solution**" and "**How to Stave Off the Commercial Crisis**" were published in the *Florida Bar Journal* and the *Florida Gulf Coast Business Review* respectfully. Both articles can be read at:

The Graduate Program in Real Property and Development at UM provides an advanced educational opportunity for lawyers dedicated to working in the real estate field and is designed to focus on real property development law and practice. It is the only program of its kind in the state of Florida.

In January, Attorney Sven Smith joined the law firm. His practice also focuses on Real Estate and Business Litigation.

Smith has been a member of the Florida Bar since 1999. He earned his Bachelor's degree (specializing in

jurisprudential studies) as Phi Beta Kappa from Stetson University and his law degree from Florida State University. He earned his Master's degree in Law and Society from the University of Chicago, and is currently completing his dissertation to receive a doctoral degree in the same from the University of Florida.

## FIRM SPONSORS SCHOLARSHIPS

The Law Office of Kevin F. Jursinski & Associates has started an educational scholarship program for Southwest Florida a high school senior which encourages them to learn the fundamental principles of the United States Constitution.

The firm has endowed an initial \$5,000 for this annual scholarship program based on the book "The 5,000 Year Leap". (theforgottenman.org).

The program has received the support of a number of the firm's clients who have also joined with the firm in establishing their own endowments for this worthwhile scholarship program.

Jursinski dedicates his endowment to his aunt, the late Sister Patricia (Josephine Marie) Jursinski, SSJ- TOSF.

Sister Patricia was a parochial school principal with significant accomplishments including serving on the Cleveland Diocesan Curriculum Committee, acting as chairman of the national Catholic Music Associations Unit of Cleveland, Ohio and was also elected to the National American Civil War Committee.

Sister Patricia devoted time improving educational opportunities for children and her work was cited on two separate occasions by the Freedoms Foundation of America at Valley Forge.

If you have an interest in the scholarship program, please contact the law firm at (239) 337-1147.

## HALL OF FAME INDUCTION

For the second time in five years, Kevin Jursinski and his teammates of the 1966 Lorain St. Mary Fighting Irish Football Team were inducted into the Lorain (Ohio) Sports Hall of Fame. The team, with Jursinski as a starter, went undefeated 9-0 that year. They were presented with the honor in May.

Jursinski and the 1967 team, also undefeated, were named to the Hall of Fame in 2005.

"Our coaches taught us always to strive for victory and never accept defeat," says Jursinski. "That mentality guided me through my football career and now through my career as an attorney."
