CAPE LAND DISPUTE

NBC2 ALL NEW FIRST AT FOUR

NBC2 has learned a commercial real estate company wants a sizeable payment from the City of Cape Coral.

Boback Commercial Group has retained the legal services of Real Estate Attorney Kevin Jursinski.

Today, a courier hand-delivered the City Attorney and Each Council Member a binder detailing why the City owes their client money.

According to a memo obtained by NBC2, Jursinski claims the City owes Boback Realty between \$784,000 and \$1.3 Million dollars.
